## **NATIONAL CHAIRMAN REPORT**

### **Our Gracious Queen**

I write to you as we are still coming to grips with the death of Australia's Head of State, our dear Queen Elizabeth.

What a magnificent non-political, impartial and unifying monarch she has been for 70 years. Her sudden passing on to heaven has been a massive witness for our entire world. Over 4 billion people watched her funeral (the largest in human history), and how encouraging it was to hear of her personal faith in Jesus and public affirmation of Christ's lordship over her life. We have all grieved, but we are so grateful for the amazing example of her Christ-like selfless, servanthood. She exemplified the gospel in her life and it was boldly proclaimed through her death.

### **The Pandemic Challenge**

Thankfully, we have seen the end of lockdowns and restrictions due to the deadly Covid 19 scourge.

There's been some heavy challenges as some of our churches have seen their attendances and finances drop and spiritual morale severely dented.

Pastors and leaders, we need to rise up to lead and feed our beautiful people with daring faith to counteract the anxiety and fear that has gripped so many. In these times we must prevail in prayer and boldly preach Jesus' Word,

especially the positive new creation message that is such an integral and distinctive part of our identity as a movement. Our people need a mighty infusion of faith, hope and love to neutralise the fears, doubts, worries and any spiritual declension that has crept into their hearts.

### **Spiritual Health and Growth**

I'm rejoicing we have planted half a dozen new churches and some other churches have joined the CRC over the past year. It's thrilling to see pastors and churches stepping out in faith, assured that the Holy Spirit will always step in and provide for them, because they are outworking Jesus' Great Commission. This is what the CRC is all about - We preach Christ's good news, plant Christ centred churches and produce Christ following disciples who are empowered with an outreach-oriented mission's vision.

If you look at our overall statistics, we have around 140 Churches, whereas 10 years ago we were around 115.

Also, our overall numbers across the nation and our missions giving have been good, despite the troubling two years we all have experienced.

All the State Conferences I have attended have been really uplifting as pastors & leaders are hungry for meaningful connection and spiritual encouragement. I'm sure our LOVE PEOPLE National Conference will do the same.

### **Wise Corporate Governance**

Pastor Wendy Brooks joined our national staff three days a week to help churches update and maintain the many governance regulations now required. Wendy did this for our SA/NT/WA churches last year and she was so appreciated and practically helpful, our National Executive has employed her to work with all our States and Territories around Australia. Wendy joined me at each of our State Conferences and she is visiting regions around Australia to explain how Pastors and Churches can implement the policy and procedure documents she has produced. The whole area of government requirements and regulations for all our churches is growing rapidly, so it's a gift to have someone like Wendy assisting in this quite complex area.

Pastor Nathan Bettcher will finish up as our National Administrator at the end of the year but will continue to be my Personal Assistant and Secretary for our National Executive. Nathan quickly stepped into this role after Peter Gillard was called back into high school teaching and was such a blessing when I faced my health crisis in 2019/2020 during some very trying seasons of convalescence. We all love Nathan dearly and I'm very thankful he volunteered

## National Chairman cont.

selflessly to help me and our movement over the last three years in an area that isn't his first love.

We are looking at transforming the Administration role to one of General Manager and are looking for someone with significant leadership/management skills to handle the expanding corporate dimension of our growing movement underpinning the Cause and Community dimensions of how we operate.

### **Revive College**

Pastor Chris Carmody finished up leading the training department of our movement and I want to thank and honour him for his passion over many years to see people trained for Christian service. The Executive is prayerfully considering the appointment of a new training director and in the meantime, National Training Team members, Pastors Mark Walker and Jess Newman are operating as the interim leadership team.

REVIVE College is in good hands and has a most committed staff in Pastors Erin-Ruth Smith and Bill Lowrey.

As part of framing our next 5-year Strategic Directions (2023-2028), we will survey all CRC pastors and churches on our ministry training and leadership development strategies. The National Executive desire everybody to personally engage with this most important area, as its one of the key engine rooms for the future spiritual health and growth of our movement.

### **Executive Leadership Positions**

I have been encouraged by the National Executive and other senior CRC Pastors to stand for a further 4-year term as National Chairman. I have been in this role since 2002 and do sense the Lord's guidance for me to continue giving my best leadership efforts as we prepare for our next 5-yr Strategic Directions (2023-2028).

My red-hot passion to facilitate revival growth in Australia has not dimmed but only increases as I pray over our very lost nation. Preaching the full gospel of Jesus, producing healthy fruitful churches, apostolic church planting, raising up new pastors/church planters/leaders and expanding our world missions' vision into the nations, continually fires up my soul.

I count it a wonderful privilege to serve the Movement in this way and I will give you my utmost and submit to the will of God through our National Council's decision.

Our long serving National Vice Chairman Pastor Bruce Sharman, will be relinquishing this role in favour of Pastor Danny Parker this term. Bruce is a wonderful minister and has been a huge personal support to me over the years. Bruce will remain on the National Executive as his vast experience is invaluable and is needed as we transition to a younger generation of leaders in the coming years.

Pastor Danny Parker, our Victoria State Chairman is a well-known, much loved and highly respected Lead Pastor of one of our largest and most fruitful churches. We have observed how he has handled his responsibilities as a State Chairman since 2017 following Pastor Bruce Sharman's long-term leadership in the State. I believe the best training for a new National Chairman is to lead a State for several years. Dan has excelled in this, and I know the CRC would be in good hands if anything should happen to affect my leadership.

The National Council resolved many years ago that the State Chairs should be elected members of the National Executive and therefore, Pastors Joe Habermehl (SA/WA/NT) and Trevor Murphy (NSW/QLD/ACT) will be nominated.

It is anticipated that Pastor Andrew Cox will become Victorian Chairman at our upcoming National Conference when the Victorian Council meets. He therefore will become a member of the National Executive and as a very experienced competent leader Andrew will add enormously to our team.

This frees up Pastor Danny to function as our new National Vice Chairman and work more closely with me.

I want to take the opportunity to honour the nominated Executive members for election. I witness how much they love their fellow CRC Pastors, serve to strengthen all our Churches and are fully committed to outworking our CRC Vision, Mission and Values.

Bruce Sharman, Philip Cayzer, Jeremy Steel and Jodi Elliott have been endorsed to continue in their current roles.

Chris Carmody as I mentioned earlier will not be continuing as he has finished up leading the training area.

Tim Lochens would like to step off the Executive to focus fully on his growing local church and young family now that a fourth child has come along. Tim is such a wise and honourable pastor that we reluctantly submitted to his heartfelt decision. We are keen that he re-engage in the future at a leadership level, as our movement needs the influence of brilliant character filled pastors like him to serve on our Executives.

### Challenge and Opportunity

Our world is in such a mess. Hatreds divide communities, conflicts escalate where violence

becomes normative, and we have a sickening bloody war raging in Europe that could escalate with the use of nuclear weapons. Our nation of Australia is also experiencing some unusual insecurities, political and social divisions, religious scandals and a moral & ethical slide away from biblical/Christian values that is breathtaking.

This makes me more resolute and intentional to plant strong Bible based, Christ following, Holy Spirit empowered & People loving Churches across the country. Jesus' Church (His body here on earth), is the only hope for our needy world.

What a privilege you and I have to be Christ's ambassadors. We have been commissioned to proclaim the life transforming message of the King of Kings who is continuing to build His loving kingdom here on earth.

**Pastor Bill Vasilakis**

### SA & NT & WA STATE REPORT

I am privileged to report on the great health of our churches. After the difficult time of COVID and seeing how it has affected churches around the world, it makes me even more grateful for the wise and Christ-like leaders we have in our churches.

My role these days seems so insignificant when compared to the team of people that is hard at work for our benefit. Our State Pastor, Hans Voortman, has been travelling around from church to church supporting pastors and passing on his years of experience. I think I understand the Apostle Paul's relief to have Timothy to send out to churches when he said,

*"For I have no one like him, who will be genuinely concerned for your welfare."* Philippians 2:20.

Our State Administrator, David Washington has been working on constitutional matters, legal issues, COVID updates, and financial management and helping us prepare for the future. The State Executive has also led the churches well this year and I want to thank Paul Kidney, Cass Tompich, Fiona Voortman, Mark Bettcher, and Rod Ness.

We also need to acknowledge the vital work that Wendy Brooks has been doing for us in the area of Policy Advisor, helping equip our churches in regards to the mountain of complicated policy and governance. Her work has been met with relief and gratitude by you all and we're amazed at her talents in this area. Her work was so successful that it has been taken up by the National Executive who are currently employing her 3 days a week to do the same role across the nation. She's been travelling to state conferences and churches in N.S.W. and Victoria helping them. She remains available to assist you still from her national role too, so don't be shy about reaching out to her if you need help, advice or just another set of eyes on the policies you are using.

Two Churches welcomed new pastors this year. Lefevre Christian Family Centre welcomes new Lead Pastor Jeremy Steel and his wife Sondra after the faithful work of Alan and Effie Cleanthous. Goolwa installed Pastor Matthew Bettcher and his wife Midi after the long work of David and Jenny Furniss. Well done to them on great service and transition to new leadership.

We have a New Church plant in Mount Barker called "Sunday". Planted by the team from Murray Bridge (Lifehouse), Pastors Jake and Holly Toogood are hoping to evangelize the community through coffee houses and relationship building.

Our State Conference was held by Lifehouse Church in Murray Bridge last May. We were all so blessed by their hospitality and atmosphere of worship. Josh and Belinda and their team are wonderful people who care so deeply for their community. Their passion for raising up leaders and reaching out into some very troubled places inspired us all. We set the record for the amount of coffee consumed at any conference and the fellowship was great. I really appreciated all the people who shared about "Leading the Modern Church" and the discussions we had afterwards really showed how impactful

“

*...dig new ditches, open new doors, train new people, reach out, start new churches, write more books, launch groups, believe that God is brining the rain.*

”

it was. The ideas that were generated by our "focus" groups are being boiled down and will start being activated soon.

This coming year will be a turning of the tide. I'm believing that God is going to unleash a season of fruitfulness on His church. Many churches have faithfully led during the lean times of the past few years. The tide is turning. He wants us to be ready for it. Like Elisha prophesied to the people of God who had endured the threats of Moab, "So says Jehovah, Make this valley full of ditches. For so says Jehovah, You shall not see wind, nor shall you see rain. Still that valley shall be filled with water, so that you may drink, both you and your cattle, and your animals. And this is a light thing in the sight of Jehovah. He will also deliver the Moabites into your hand." 2 Kings 3:16 -18.

Dig new ditches, open new doors, train new people, reach out, start new churches, write more books, launch groups, believe that God is bringing the rain.

May God watch over us and prosper the work of our hands.

# VIC & TAS

## VIC & TAS STATE REPORT

The Churches in Victoria and Tasmania have been rebuilding their face-to-face and public ministry throughout 2022. The Tasmanian churches were affected to a lesser degree through the COVID period, but still had the psychological effect on their people to deal with.

Victorian churches have been severely impacted by the physical and psychological isolation.

Reports from our Victorian pastors have been mixed. Some churches seemed to spring back to normal operations fairly quickly; while others are still experiencing the effects of people not responding or available like they were in the past. A few churches have been severely affected in their Sunday attendance numbers compared to the pre-COVID period.

There are some good news stories too—a few churches have grown. For example Wyndham City Church has experienced growth as people have been saved through connections with the school and others made decisions to go local in the Wyndham area.

In the Geelong region, Momentum Christian Church, Bannockburn became an autonomous congregation and independent of Waurin Ponds Community Church. The two leadership teams negotiated a smooth transition. Well done to all involved.

There have been some great new church initiatives. Manningham sowed out a team to launch a service in Clifton Hill—an inner suburb of Melbourne. Rosebud on Mornington

Peninsula was launched as a Turning-Point church. In the west of Melbourne, the Grow Church team launched a church campus in Aintree. Wattle City Church in Maryborough have started services in the nearby town of Bealiba. Well done to our Senior Pastors and pioneering leaders for not being restrained by difficult circumstances.

A Karen (Burmese) church with three campuses and an outreach affiliated with CRC last year. Pastor David Tabu became connected through Roland Tankard, received an Affiliate credential and has brought his ministry and church planting under CRC. This has progressed through the year and David and his team are functioning well within the movement.

The State Conference in Colac was an excellent event. We had the highest number of delegates in recent memory attend the conference. There seemed to be a hunger among the pastors and leaders to be refreshed by the ministry and comradery of being together.

An important appointment was made in Portland. Steve and Brydie Green have taken on leadership of the church. Shane and Glenda Whitbourn handed over a very well positioned church—they have done a great job setting it up for success.

Swan Hill Community Church has come under the leadership of Diggerland. In consultation with the National Chair, it was decided by the State Executive to accept leadership of the congregation and they directed Diggerland to be the covering church in accordance with the SHCC and CRC Victorian Constitutions.

One of the difficulties of COVID has been the effect on youth and children's ministries across all denominations including CRC. Yet the Implant Training

Day was a success again with NSW joining in from a hub in Orange. Andrew Cox and his team served our leaders by hosting the Conference and Implant and have been a blessing to the movement.

Our National Compliance officer, Wendy Brooks has been a great appointment to help church leaders improve their OHS and DOC policies and compliance. This area can be a confusing requirement for ministry and the resources Wendy has compiled are excellent. Wendy is working with our leaders to help all size churches reach a minimum standard.

It has been a privilege to serve over the last two terms as Chairman of the Vic-Tas Executive.

Thank you to all the pastors and executive members who have supported and encouraged me during my tenure. My intention is to hand over the chairperson role to Andrew Cox at our next council meeting. It is time for generational transition and I believe Andrew will do an excellent job leading our two States in the future.

Blessings to all,

**Pastor Dan Parker**  
State Chairman,  
Victoria & Tasmania

## NSW & QLD & ACT STATE REPORT

I'm very grateful for the privilege of serving our State CRC Pastors and Churches in my role as Chairman.

### Executive Team

I'm extremely proud of our State Executive team, who model so many of the positive attributes of a Spirit led life, as outlined in Galatians 5:22/23, in everything they do. Heartfelt thanks to Ps Caroline Dennis, our much loved State Vice Chair, for the very significant contribution she makes, not only within our State but also amongst our whole CRC family of churches. Ps Rod Bortolin (Secretary/Credentialing), Ps Francesca Liu (Nova life Sydney), Ps Steve Rand (Lifesource Griffith) and Ps Geoff Hodgkinson (from City Central Church in Albury), are all greatly valued members of our State exec team, each one bringing their unique gifts and perspective.

Many thanks also to Jan Bollington (Treasurer/admin support), Ps Jeff Cottom (Church Planting) and

Pastors Jodie Elliott/Beka Dennis (Youth/Generations) who very ably fulfil their portfolios and report faithfully to our State Executive team.

I'd also like to acknowledge and commend each of the local CRC churches, who generously release and wholeheartedly support their Pastors and leaders in their State roles.

### Highlights

In the past year we've seen a new church plant in Innisfail QLD, several new credentials approved at National, State and Trainee levels, as well as a few pastors and churches seeking relationship with our CRC family of churches, especially in the Sydney region.

A vast majority of our State Churches and Pastors are actively involved in overseas missions at various levels, with many involved in, or supporting ministry in multiple nations.

Another encouraging indicator of the health of our CRC churches across the state is the significant and effective ministry into the community, including SRE in schools. NSW, in particular, provides incredible opportunity to provide ministry into our public schools. Many of our churches are partnering with the wider church community to see the Kingdom of God expanded in their towns and suburbs.

I note with joy, regular reports of salvations, baptisms and healings across our churches and a rising tide of genuine passion for personal evangelism and the opportunity to share the gospel and pray for the needs of those in our community.

### Pastoral Support

Our Regional Pastors Gatherings remain an important priority, with the Sydney region continuing strongly under the leadership of Ps Boo, and our Southern Region

meeting on a regular basis in Narrandera. Most of our more remote Pastors make a deliberate effort to stay connected or build relationship as best they can, which is great to see.

A few years back we decided to schedule our State exec meetings around various locations where we can meet with local church Pastors and leaders during a few day visit. Our March meeting took us to Port Macquarie, where we met with regional pastors over lunch at Taree for a very enjoyable and significant time together. We also enjoyed a great evening meal with Caroline and Dave Dennis and their amazing team from Lifeway Church Port Mac. Notice how food always seems to be the common factor. Our recent August meeting in Albury was no exception, where we met with the Credentialed pastors, oversight Board and ministry leaders from City Central church, organised by Ps Geoff and Sara Hodgkinson.

### Events

Our State Pastors and Leaders Conference in Orange, NSW, earlier in the year was a great success. Ps Steve Addison and Ps Joel Shaw, spoke to the theme "Dream Again" - Realigning with Jesus' Primary Mission, and we're very much looking forward to our 2023 State conference "Unreached", where we will be combining with our Victoria/Tasmania CRC pastors & leaders on 18th to 20th April 2023.

Another regular event we look to facilitate as a State each year with considerable impact and fruitfulness, is our Condo

“

*...regular reports of salvations, baptisms and healings across our churches and a rising tide of genuine passion for personal evangelism.*

”

Youth Camp, which this year will be hosted in Narrandera on 23rd to 26th September 2022, with Nick Sandford and Rachel Lane from CFC Seaton as guest speakers. Along with a few other significant youth camps, hosted by individual churches in Sydney and our Cairns Family Church in North Qld, we are excited about what God is doing amongst our youth and children's ministries as we build momentum post COVID. (Just had to throw "that" word in somewhere).

It's a delight to be part of our CRC family of churches in this season ... the fields are white.

## INTERNATIONAL MISSIONS REPORT

What a challenging 12 months that we have all been through, filled with such diversity uncertainty but also positivity. The sudden changes, impositions, the curbing of our normal freedoms, and the demands on our mental, moral, and emotions of our lives. It is difficult to know how people cope in these times without God being in their lives.

So regardless of what has taken place around us, our faith clearly and emphatically declares that God is still in control and is active throughout this world and that there are many wonderful, good news stories to be told of people coming to Christ, being baptized in water, empowered with the Holy Spirit, wonderful healings and new churches and home groups birthed.

Throughout these last 12 months I have witnessed amongst God's people a new ground swell of enthusiasm towards evangelism and preaching the gospel of all ages but especially of the younger generation. We are seeing in several nations a definite resurgence of hunger to be trained and this is spanning all ages but especially the younger generation.

We are seeing spontaneous open preaching by small teams after a long absence in our cities and towns. Even in those nations where it is forbidden to bring people to Christ, or there is some form of repression, people are still finding ways to proclaim the Gospel. It is not just being present amongst them (presence evangelism) but proclamation evangelism, where the good news story is told, is articulated with words. God is at work, and people are still being forgiven, healed and delivered from demonic powers.

I'm constantly receiving stories and pictures from different countries of large numbers of believers going through the waters of baptism. There is a new push to send out new missionaries into the nations and I know of three missionaries from the third world that have been endorsed to take up positions in three different countries within the next 6 months.

Currently there is a significant amount of participation and interaction by third world leaders through regular weekly teaching. This is having a widening of their horizons and a strong bonding affect between the nations involved.

Pacific Islands and Asian churches are regularly giving of both finances and prayer to the developing nations. This is very encouraging to see. The temptation to slacken one's personal discipline because we are unable to change our circumstances, mental tiredness which eventually lowers personal performance erodes the will to continue.

The Devil constantly undermines the use of faith in the life of believers and the wearing down of their resolve to continue serving God. It's really a conflict between God's Word and the promotion of the ascendancy of man's Wisdom. It's about the incessant questioning of God's existence and his relevancy in today's world and the demeaning of godly morals.

The National Missions Offering raised last year for new communication and recording equipment has greatly helped our training schools in the Philippines, India, Nepal, Ghana and PNG and other major centers where numbers of other local churches and leaders connect nationally for teaching / training, pastoral care, and regional gatherings. It has also provided equipment for Jeremy Steel and myself in our teaching and training sessions into the nations each week. A sincere thanks to everyone.

### **Our message is to:**

*"Hold on to the pattern of wholesome teaching you learned from me - a pattern shaped by the faith and love that you have in Christ Jesus".*

2 Timothy 1:13 NLT

### **Our confession is:**

*That our God has not 'closed up shop' but continues to do everything according to his will among the host of heaven and among the inhabitants of the earth; and none can stay his hand or say to him, "What have you done?"*

Daniel 4:34-35 - Ephesians 1:11 ESV

### **Some Praise Points**

- Papua New Guinea Bible Schools in several provinces have reopened this year and Bethel has managed to maintain a teaching program for the staff and some students throughout the past 12 months (2020-21).
- Recently there were 31 people baptized at Port Moresby Bethel Centre including 10 Indonesian refugees
- New Christian foundation class (new converts) established at Bethel Centre with 53 currently attending
- 5 new house fellowships started as a result of these new converts (reaching 49 people)
- Also 3 new churches started in the past 3 months in partnership with Bethel church in one the remote districts in the central province
- New churches birthed in several the provinces of PNG, Milne Bay, the Highlands, East New Britain, New Ireland, Bougainville, Gulf Provinces and some coastal regions.
- The Christian school at Bethel PNG has had some amazing awards throughout the past 12 months in spite of the pandemic and is considered as one of the top schools in the nation, and recently secured official authorization to move into secondary level education.

### **India**

- In spite of the devastating COVID situation and the complete lockdowns in India we have been able to have two graduations of our two major training schools – (World Missions Training School) and the Evangelos International Training Institute and to have 11 of those graduates take up full time ministry with our CRC work spanning across our bases and schools in several different states.
- In June this year we able to re-open our training schools with a good number of new students and second year students.
- Also, one of our training schools was able to help fund and oversee the establishment of a new ministry base and church plant in a new state of India which is exciting to see.

### **Nepal**

The Leadership Ministry Training School in the Eastern region of Nepal is continuing to train and develop pastors and leaders, and this is being funded and assisted by a local church here in Australia.

### **Philippines**

The Philippines School of Ministry is also continuing to train and mentor young men and women from different provinces. Through its leadership its reaching out to several other provinces with current local training programs conducted through different electronic means.

Also, the local church in Manila has initiated with Bethel PNG a new trial training program of mentoring and developing full time trainees and staff of that church. There is a new Australian missionary couple that have been endorsed to go to the Philippines as soon as the nation's borders are open.

### **Africa**

The many training schools / programs being monitored and assisted by local churches in Australia are continuing to function throughout the different African nations – including Ghana.

## **NATIONAL MISSIONS REPORT**

Our world is slowly returning to a new normal after 2.5 years of fear and lockdowns. Despite this our ministry has continued with plenty of encouragement and teaching via Zoom and phone calls etc.

Overseas mission trips have begun again much to the joy of those going and no doubt the appreciation of those welcoming them to various countries. It is good to re-establish "in person" contacts.

It is time to again sharpen focus and make significant steps towards the fulfilment of our International Vision, of a Presence in Every Nation by 2045. A great vision always has great challenges. Many of our brothers and sisters face many difficulties as they press forward to proclaim the glorious good news of our Lord Jesus Christ. I encourage you to support them in prayer as well as in resources. As we stand with them, we can be an effective part of driving back the powers of darkness and seeing the Gospel continue to break through in new areas.

**PULSE MAGAZINE** has continued this year to highlight many of our churches/pastors who are making significant Kingdom impact.

## **International Vision – Presence in Every Nation by 2045**

According to our last survey we were involved in a total of 76 nations (out of 195 in the world). Of these, 58 had a regular involvement contributing to an effective disciple making ministry. The remaining 18 nations only received an occasional investment. Ps Phil Cayzer has just invested 3 months in Africa, visiting 13 nations and strengthening the ministry of CRC in those nations, as well as expanding the involvement with CRC Missions Bible College.

## **National Day of Prayer / Fasting & National Missions Day**

This year the National Day of Prayer/Fasting was Thursday 28th July, and the National Missions Day was Sunday 31st July 2022.

The Mission Day offering this year was for equipment for the new Training Centre at Bethel Centre, Port Moresby PNG. At the time of writing this report we only have the offering from 8 churches amounting to \$20,195. There will no doubt be much more to come in so that we can have a well-equipped Training Centre in Port Moresby.

The dates for 2023 are:

- National Day of Prayer/Fasting - Thursday 27th July 2023
- National Missions Day - Sunday 30th July 2023

Please put these dates in your 2023 diary now!

## **International Leader's Gathering (ILG) – October 1st & 2nd 2021**

In 2021 with the continuing lockdowns and very limited travel due to COVID we again held the ILG online. The Friday program involved all delegates. The worship was led by a team from Pasig Church in the Philippines.

Two main sessions focused on the Training of Missionaries, Implementation of a Strategic Plan and with prayer in Breakout Rooms.

The Saturday was the start of our Global Regional Groups meeting together. They met at times suitable to the region with the Australians adjusting to fit with our overseas delegates. The 4 Global Regions where we have many churches operated very well. The other 3 Global Regions where there are not many churches yet, operate more on a personal basis at appropriate times.

### **Kids Can Do Missions**

This 4-week Children's Ministry program is a great way to interest children in global missions.

We are looking at adding further programs about global mission for children.

### **Missions Resettlement Fund**

We very much appreciate the contribution from churches each year to the Missionary Resettlement Fund, which enables us to provide some funds for long term missionaries who are finally returning to live in Australia.

### **Thank You**

Thanks to the members of the AIMT, Ps Bill Vasilakis, Barry Silverback, Ai Wari, Hans Voortman, Bruce Sharman, Norma Cayzer, Jeremy Steel & Nathan Bettcher (Minutes Secretary) for their ongoing commitment to Global Missions.

Mikaela Groom has again very effectively managed the CRC Mission Finance (from wherever she is in the world). She continues to do an outstanding job and has efficiently served our sponsoring churches as well as our various mission fields. Thank you very much Mikaela – it is a pleasure to work with you. Mikaela has continued as Editor of Pulse Magazine. Thank you, Mikaela, for the excellent job you do with Pulse in your ideas and initiative as well as the actual production.

Thank you very much also to my wife Lois who gave me administrative assistance during the year. Also thank you to the other staff at Reveal Church who have adjusted and assisted me at various times.

### **Special Events in 2023**

- Keep a look out for information about the CRC 50th Anniversary in PNG, and the Women's Convention in PNG – June/July 2023.

# Pathway to Missions

## **PATHWAY TO MISSIONS REPORT**

The purpose of Pathway to Missions is to encourage, train and prepare Australians for missionary service and create a network of like-minded people wanting to serve in the nations. We have created a pathway into missions with 4 simple steps ...

- Step 1 – Weekend Seminars. (Run in each State)
- Step 2 – One-week Missionary Training Intensive
- Step 3 - Missionary Exposure (1-3 Months)
- Step 4 – Further Training at World Missions Faith Training School (WMFTS PNG) or Missionary Service

This year we have been able to run the Step 1 Weekend Seminar for Victoria, plus Step 2 Missionary Training Intensive at CFC Seaton. Both these programs were very successful, well attended and received positive feedback.

### **Step 1 Weekend Seminar: Victoria – 23rd July 2022, Cranbourne Victoria**

We had a great time with 42 people present, from 11 different churches from across Victoria. Norma Cayzer wrote "The day was informative, challenging, fun and full of fellowship ... appropriate for young and old. The sessions were honest, vulnerable, relevant and practical."

We finished the day with an amazing International Dinner provided by 6 of the cultural groups in the church at Cranbourne. The support of Norma Cayzer to run this event was greatly appreciated.

### **Step 2 Missionary Training Intensive: South Australia 4th to 8th July 2022**

The one-week intensive was attended by 12 full time delegates and one part time delegate. As this was a national event, 3 delegates flew in from NSW (which was very encouraging).

Pastor Barry Silverback, shared some amazing sessions from his life as a missionary. Other in-person teachers were Rachelle Hardy, Julie Fonarito, Vegena Bowering and myself. Added to this was the zoom sessions with Gwen Hageyo from the Philippines, Pastor Bill Vasilakis (who was in Darwin at the time), Norm Reed, Allen Steel, Sam Osborne and Danielle Rosslee. We also included time for reading and reflecting on the book "PAPA BARRY" (chapters 1-7), the delegates found this very helpful. I'm looking forward to running the one-week intensive again next year.

### **Step 3 Missionary Exposure**

This year there has been one person take up 2 ½ months cross cultural missions/ministry exposure. Salome from Kingston City Church, spent her time in Alice Springs CFC working predominately with the Aboriginal ladies. During this time, she did a lot of pastoral visitation and Bible study, plus running the Sunday school each week. Salome was a great blessing to the work in Alice Springs. My desire is to see more people flow into doing cross culture missions exposure for 1-3 months, which can be tailored to the needs and availability of each individual.

We will be conducting Pathway to Missions Seminars in NSW and SA in the early part of 2023 and running the second one-week Missionary Training Intensive in July 2023. For more information, please contact Pastor Jeremy Steel via email: [steeljeremy0@gmail.com](mailto:steeljeremy0@gmail.com)

It has been a great joy to see such a positive response to the Pathway to Missions initiative. I'm believing this momentum will continue to build in the coming years.

## NATIONAL TRAINING REPORT

We officially launched the College rebrand at National Conference last year and are now known as Revival College ([www.revival.college](http://www.revival.college)). The rebranding process had been in progress for 18 months, with many elements of the college's function, culture and language being refined. This combined into our four operational values becoming everyday language within the college: those being Formation, Foundation, Connection and Commission.

The College had 40 Higher Education students during 2021, as well as one International Scholarship Student studying directly with Alpha Crucis (AC)

who is connected to Kingston City Church. The year 2021 saw 15 students engage nationally in the Introduction to Christian Studies course. In 2021 we had some 55 students on our books enrolled in various courses.

The Cohort has been smaller in 2022 with a total of 23 students comprising of eleven diploma, four bachelor, one international scholarship student; as well as seven in the vocational education program. During 2021 we saw the introduction of the Diploma of Chaplaincy and the continuing of our Diploma of Ministry, which is our most popular course.

Camp Two 2021 was held online via zoom as many cohort and staff members were in lock down restrictions limiting gatherings. Online camps allowed the College to have guests from interstate and overseas in a manner not always available for in-person gatherings, so that was an unseen benefit which compensated somewhat for not being in one venue. In March 2022

we were again able to gather face to face for our initial camp, without many COVID restrictions in place. In person gatherings are a wonderful opportunity for the cohort to meet not only other students who are studying but the college staff team. Again, we were joined by a range of CRC and external speakers who impacted and encouraged the cohort.

In 2022 we saw members of the team doing church visits, with students and alumni leading services across numerous Victorian churches; as well as a ministry-missions' trip to the Mildura and Broken Hill area. It has been a blessing to reconnect in person with our CRC family across numerous churches.

The biggest change to the College this year has been in our staffing. After 7 years as Principal, Chris Carmody has finished up in this role. We are very grateful to Chris for his leadership and initiatives throughout this season. We also farewelled Nick Johnson who has been an invaluable staff member and National Training Team member. Last but not least, Michelle Wallis has finished in her role with finances. Many thanks to Chris, Nick and Michelle.

As always, our team of staff and volunteers have shown incredible commitment to the students and the College, and will continue to do so. We all consider it an honour to serve the movement through the College. We are always thankful for your prayers and support as we continue to help pastors in equipping our churches and students to impact the world for Christ.

## CHURCH PLANTING REPORT

*Jesus said, "... and the gates of Hades will not overpower the church."*  
Matthew 16:18

Jesus responds to Peter having the revelation that Jesus is the Messiah,

the Son of the Living God, and he is commissioning the foundation of something new; the church. I must say that I am excited to be a part of this great movement called the CRC Churches International, a group that is known to champion revival and to see churches planted across the world.

Currently, I am in Africa as I write this, seeing many churches planted, pastors commissioned, and elders established. Yet as I reflect on Australia, there are many towns with more than a few thousand in them that do not have a viable Pentecostal witness. God has sent us to all the world to preach the gospel, and there are still many more opportunities across our nation.

I have been reminded that Jesus was very clear on leaving us with three things, and these three things the CRC has been well known for over the years. In John 16:7, Jesus says, "it is to your advantage that I go away, for if

*I do not go away, the Helper will not come to you. But if I go, I will send him to you.*" The CRC started with a great thrust to see people come to the understanding that it is the Holy Spirit who empowers us. Hebrews 4:12 says, *"For the word of God is alive and active. Sharper than any double-edged sword."* The CRC has been founded upon the authority of the Word and the power still contained within it is just the same as Jesus used it when He was tempted by the devil. But we must never lose sight that the CRC started as a church planting movement and today is still called to continue in that same area. Ephesians 3:10 tells us that *"through the church, the manifold wisdom of God might now be made known..."*

So, if we want to see change in our nation, the best way is to plant churches, raise disciples and see what God can do by taking hold of the people around us. Too often, when we think of planting churches, we feel we need more pastors, yet the scripture clearly shows that we reproduce after our own kind (Genesis 1:24-25). Pastors produce pastors; churches produce churches. Each church needs children's ministry, youth ministry, music ministry, etc. So I encourage you. Get your church involved in being trained and prepared to plant churches.

I want to take this opportunity to thank Sean La'brooy and Jeff Cottom for their support during this time. God bless you as we see churches planted right across our great nation.

## **CHURCH-BASED CHRISTIAN SCHOOLS REPORT**

*"Train up a child in the way he should go; even when he is old he will not depart from it."*  
Proverbs 22:6

As we know, this passage speaks to us as parents and how we should train our children, but today we all realise that our children spend much of their time in schools, sporting and social activities. Therefore, it is essential that, as parents, we rise up and have an active input in training our children. Many years ago, I read about a survey done in America identifying that children who attended a private school were four times more likely to serve God after leaving school. Children who attend a church school are seven times more likely to serve God after their school life. I am eagerly waiting for the report on what Pentecostal church schools will be doing in the lives of our next generation.

I know many people say, "How do we start a Christian school?" The same way we do anything. It is by faith. And so, if you have a desire and vision, please contact me or one of the other church-based schools in your area and see how we may be able to establish a school in your area.

I remind you that all schools initially founded in Australia and England were faith-based church schools. Let's restore the things that God gave us the privilege of leading.

# Generations

## GENERATIONS REPORT

Rebekah Dennis has taken over the role of National Youth Director this year. Beka has been a part of our National Youth Team for the past 3 years and has been very involved in setting the direction and vision of our youth and young adults ministries. She has also recently become the Youth Pastor at Narrandera CRC in regional NSW and has served in various youth roles in Port Macquarie and Hornsby CRC Churches. Beka is a gifted leader, who is a great connector, visionary and administrator and I know under her leadership this ministry area will grow tremendously.

Over the past year our National Youth focus has been to continue to engage, connect and resource our youth leaders, particularly coming out of the COVID-19 restrictions. We have had many successful zoom workshops, regional emerging leader connections and some of our churches have been able to hold camps, conferences and training days. With particular mention to the Implant kids and youth leadership training day held in Victoria.

It was also great to see our young people engaging in the Pathway to Missions sessions and intensives held over the past year.

As many of you also know Sieni Cayzer stepped down from her Young Adults role at the end of last year. Sieni did an amazing job in this role connecting Young Adults and resourcing churches within the movement. We are very thankful for her contribution.

We have set up a national generations website under the REV banner that will include resources, connection points and material for all generational ministry.

Leading into our next Strategic Directions we aim to focus on building a National Generations Team that will include a focus on Kids, Youth and Young Adults. We believe that with the right strategy and intention we will see all of these ministry groups continue to grow across our churches.

# Administration

## ADMINISTRATION REPORT

We have so much to be thankful for in the CRC. In spite of a constantly changing world around us, God is doing good things in our nation and we are privileged to be part of it.

It was a joy again to visit each of the State conferences this year and connect with many of you. The sense of hope and worshipful atmosphere at each gathering was inspirational. Administration and governance continues to be a growing need in many of our churches. That's why it's been a pleasure to work with Wendy Brooks who has blessed so many of you already with the policies and procedures she has produced for each State and Territory. Wendy also attended each of the State Conferences with me and it was great to see so many of you extend appreciation to her for all she has done so far.

Financially we are doing well. You can view our finance reports over the next few pages. I am very grateful for the hard work of May Kirkland (National Office), Mikaela Groom (Missions Office), Michelle Wallis (Training

and Emma Lundberg who worked on our reports with the auditor. They have each done an excellent job again this year and I commend them for the many hours they each put in. Thanks also to Brenda Giles and Robyn Plummer who have volunteered assistance in the National office.

As we look ahead, I am excited by the potential we have in the CRC to plant more churches and schools, train more disciples, ordain more ministers, send more missionaries and see many more people won to Jesus. I'm believing the next few years ahead will be our finest as a movement. May God richly bless you as you continue to serve Him.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CRC CHURCHES INTERNATIONAL AUSTRALIA  
INCORPORATED

## REPORT ON THE AUDIT OF THE FINANCIAL REPORT

### Opinion

We have audited the financial report of CRC Churches International Australia Incorporated, CRC Missions International, and CRC Training (the association), which comprises the assets and liabilities statement as at 30 June 2022, the income and expenditure statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the accompanying financial report presents fairly, in all material respects gives a true and fair view of the South Australian Act, the financial position of the association as at 30 June 2022 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the South Australian Act.

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of the South Australian Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

### Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the South Australian Act and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

## Audit Report cont.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
